

Custom Printed Banner Mesh

Designed to show off your brand when it counts, our printed banner mesh is a cost-effective outdoor advertising option where a quality finish matters.

01 PRODUCT USAGE

Used to distract a passer-by from the day to day work on building sites. Printed Banner Mesh is often utilised on:

- Scaffolding
- Temporary fences
- Perimeter fencing around events
- Temp fence panels
- Building and construction sites
- Industrial developments

02 PRODUCT BENEFITS

With a choice of standard or premium mesh, different weight options and fully customisable sizes, you can select the perfect fit for your project knowing that quality and print are never compromised.
