

EcoVinyl

100% recyclable billboard skins.

01 PRODUCT USAGE

EcoVinyl is a great material as it maintains the high quality of traditional PVC billboards whilst being cost-effective and completely eco-friendly.

- Perfect for large development sites
- Ideal for industrial developments

02 PRODUCT BENEFITS

Sustainable signage is still in its very early days, however, our EcoVinyl can be recycled into park benches, decking, bollards, fence posts and other high grade recycled polymer products.
